TopLine Banner Frame

There is no more effective way to display your exterior banners than above the roof.

And there is no better way to do that than with Voxpop's TopLine Banner Frame for Del Taco.

It creates big bold impact and pulls customers off the street.

Double Base Frame Model for Del Taco 4x20 Banners

Displays your Del Taco 4x20 banners above the roof for maximum visibility and effectiveness.

Since we introduced our TopLine Frame to Del Taco in the 1990's, hundreds of restaurants have benefited from the visibility and effective merchandising the frame creates.

Exterior banners are your most effective tool for broad merchandising impact, noticeable from blocks away. The Del Taco TopLine Frame maximizes this valuable tool.

What makes the TopLine Frame so good?

The sturdy steel base frame holds special "arms" that grip your banner. Then, a mechanical tension screw winds the banner drum-tight. The result is a perfect display that looks like a professional billboard!

Mechanical tensioning keeps banners tight!

- ✓ Designed for lifetime use - a one time investment for years and years of functional performance
- ✓ Banner change-outs are simple, fast and done from the safety of the flat roof - no tools needed!
- ✓ Maintains drum-tight banners that are 100% readable the entire promotion
