

Coroplast Pole Mount

Hardware for coroplast pole signs

We know the easy and cheap way to mount coroplast P.O.P. on poles are those cable ties. Voxpop has a better mousetrap! Our coroplast pole mounts create professional, 100% readable signage - every time, all the time!

Forever eliminates falling, sagging and bending

- ✓ Easy installation
- ✓ Available single or double sided
- ✓ Creates a professional, consistent image
- ✓ All models include mounting clamps

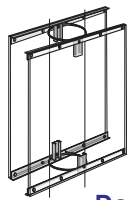

Is this happening to you?

You can make a small, one-time investment and eliminate this kind of ineffective, unreadable and unpolished display forever.

Single sided

Double sided

**Sized to fit your P.O.P.
Two styles to fit your budget.
Both fit your professional image.**

**We don't make
your P.O.P.
We make it WORK!!**
