

Preview Menu Board

Custom Drive-Thru Merchandiser

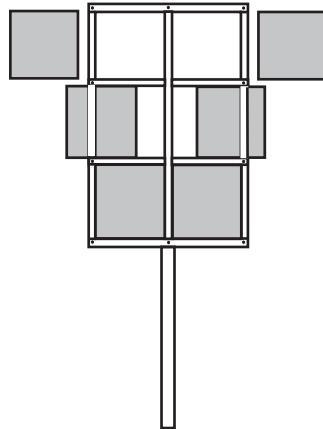

Voxpop's Preview Menu Board is a simple, inexpensive way to merchandise multiple items in the Drive-thru.

We will custom design to include as many inserts at whatever size you desire.

Preview Boards are proven to speed up the lane, sell combos and promotional items, and reduce drive-thru stress for your customers!

SPEED UP DRIVE-THRU TRAFFIC AND INCREASE SALES OF COMBOS & PROMOTIONAL ITEMS!

- ✓ All-steel welded construction - extremely durable, will perform for many years
- ✓ Inserts slide in easily - change-outs take just a few seconds
- ✓ Installs easily in Drive-Thru - simply place the post - the board slides over the top
- ✓ Custom designed for insert quantity and size
