Skyhooks — Vacuum Cup System

From the world's leading provider of display solutions for outdoor P.O.P. comes the world's best solution for mounting it on glass... the Skyhooks Vacuum Cup System from Voxpop!

Skyhooks work outdoors or indoors to attach banners, coroplast or posters to any glass or non-porous surface. The heavy-duty cups come in 2 sizes, and are equipped with studs and attractive knobs to easily attach to your media.

- ✓ A very inexpensive yet highly effective system to attach your P.O.P. to any glass or smooth surface
- ✓ The clear cups are difficult to see and have incredible holding strength
- ✓ Choose from large 3" cups for larger displays like banners, or smaller 2" cups for posters
- ✓ Simple knob and stud fastening system makes Skyhooks versatile for any media!
