

# Toppers & Extenders

For Menu boards & Speaker Boxes

Need a way to increase or enhance merchandising in the Drive-Thru? Voxpop will custom design a Menu Board or Speaker Box topper or extender to fit your equipment and your P.O.P.

**Affordable & effective!**

Voxpop's toppers & extenders are custom designed to fit your specifications. Call for a quote!

**We don't make your P.O.P.  
We make it WORK!!!**

- ✓ Designed for lifetime use - all metal construction, color matched to your existing board or box
- ✓ P.O.P. inserts just slide in - simple to change out with the latest inserts
- ✓ Custom fitted to insert dimensions you provide. Choose single or multiple cavities.
- ✓ Choose top load or side load - whatever is easiest for your staff
